**CALL TO ORDER & ROLL CALL**

Vice-Mayor Wimpee, Sr. called the meeting to order at 5:30 P.M. and roll call was taken. All councilmembers were present except for Mayor Anderson and Councilmember Miles who were excused. The invocation was given by Pete Ernst of Manzanita Baptist Church after which the Pledge of Allegiance was said in unison.

THE COUNCIL MAY GO INTO EXECUTIVE SESSION FOR LEGAL COUNSEL IN ACCORDANCE WITH A.R.S.38-431.03(A)3 TO DISCUSS ANY AGENDA ITEM. THE FOLLOWING ITEMS MAY BE DISCUSSED, CONSIDERED AND DECISIONS MADE RELATING THERETO:

1. **APPROVAL OF MINUTES**
  - a. **The Workshop Meeting minutes of April 23, 2015.**

Councilmember Abram stated he would abstain from voting as he was not present for the entire meeting.

Councilmember Young made a MOTION to APPROVE the Workshop Meeting minutes of April 23, 2015. Councilmember Yocum SECONDED and it was APPROVED by a vote of 4-0 with Councilmember Abram ABSTAINING.

**b. The Special Meeting minutes of May 19, 2015.**

Councilmember Abram made a MOTION to APPROVE the Special Meeting minutes of May 19, 2015. Councilmember Young SECONDED and it was APPROVED by a vote of 5-0.

**c. The Regular Meeting and Executive Session minutes of May 19, 2015.**

Councilmember Young made a MOTION to APPROVE the Regular Meeting and Executive Session minutes of May 19, 2015. Councilmember Abram SECONDED and it was APPROVED by a vote of 5-0.

**2. CALL TO THE PUBLIC - COMMENTS FROM THE PUBLIC**

Those wishing to address the Council should fill out request forms in advance. Action taken as a result of public comments will be limited to directing staff to study the matter or rescheduling the matter for consideration and decision at a later time. Comments from the Public will be restricted to items not on the agenda with the exception of those on the Consent Agenda. There will be no comments allowed that advertise for a particular person or group. Comments should be limited to no longer than 3 minutes.

Steven Robinson stated he lived in Golden Valley and wanted to address Ordinance 1797. Mr. Robinson stated he grew up in a household of smokers and saw the negative impacts it had on his parents; however, Ordinance 1797 destroyed people's freedom, especially vapor product users. Mr. Robinson stated he did not want the police trying to find a reason to pull a car over because they thought people were smoking in the vehicle. Mr. Robinson asked the Council to re-consider Ordinance 1797.

Pat McBrayer stated he had concerns about individual property rights. Mr. McBrayer stated he owned 617 Hall Street and was cited for a public nuisance because he did not have an eight foot sight-restricting fence around his property. Mr. McBrayer stated the fence was not required when he was initially cited. Mr. McBrayer stated he tried to arrange an appointment with the City Manager, Mayor and Chief of Police, but was unsuccessful. Mr. McBrayer stated he wanted the issue placed on a Common Council meeting agenda so it could be discussed in a public forum. Mr. McBrayer stated the pocket park at the corner of Stockton Hill Road and Johnson Avenue was full of weeds.

Vice-Mayor Wimpee, Sr. directed City Manager John Dougherty to set up a meeting with Mr. McBrayer.

**3. CONSENT AGENDA**

All matters listed here are considered to be routine by the City Council and will be enacted by one motion. There will be no separate discussion of these items. If discussion is desired that item will be removed from the CONSENT AGENDA and will be considered separately.

**a. Liquor License Application**

Applicant Andrea Dahlman Lewkowitz of Safeway, Inc. has applied for acquisition of control of a Series 9 Liquor License for a grocery store located at 3970 Stockton Hill Road. **Staff**

**recommends approval.**

**b. Liquor License Application**

Applicant Andrea Dahlman Lewkowitz of Safeway, Inc. #2017 has applied for acquisition of control of a Series 9 Liquor License for a grocery store located at 3125 Stockton Hill Road. **Staff recommends approval.**

**c. Recommendation from the Tourism Development Commission (TDC) for the quarterly payment to Kingman Visitor Center, Inc. for tourism services**

The tourism funding agreement between the City of Kingman and the Kingman Visitor Center, Inc. specifies that a quarterly payment be made in the amount of \$51,250 upon submission and acceptance of the tourism quarterly report. The most recent quarterly report was submitted and accepted by TDC at the May 26, 2015 special meeting and is attached for review. **Staff supports the TDC recommendation for Council approval of the quarterly payment to Kingman Visitor Center, Inc. for tourism related services.**

Councilmember Abram made a MOTION to APPROVE the Consent Agenda as presented. Councilmember Young SECONDED and it was APPROVED by a vote of 5-0.

**4. OLD BUSINESS**

**a. Consideration of an application from Shawn Walsh for up to \$35,000 from the Tourism Development Commission to fund fireworks and fire protection for a Fourth of July Celebration.**

Shawn Walsh of the Community Improvement Foundation approached the City Council on May 19, 2015 concerning funding for a fireworks celebration at the Sand Drags Tracks located west of Route 66 and north of Grace Neal Parkway on July 4, 2015. Mr. Walsh was invited to submit an application to the Tourism Development Commission (TDC). Mr. Walsh prepared an application to the TDC for \$35,000 (\$25,000 for fireworks and \$10,000 for fire protection from Northern Arizona Consolidated Fire District). Mr. Walsh was not certain the fire protection would cost \$10,000 and stated he would not seek funding beyond the actual cost. A special meeting of the TDC Commission was held on May 26, 2015. The TDC believed a fireworks celebration for the 4th of July was very appropriate, but did not believe tourism monies should be used to fund fireworks because fireworks do not bring tourists to town (put "heads in beds"). The TDC voted 4 to 0 to recommend the TDC monies not be used to fund the fireworks program this year. The TDC believed the fireworks should be funded from the General Fund of the City. **The Tourism Development Commission unanimously voted (4 to 0) to recommend not funding the \$35,000 application (\$25,000 for fireworks and \$10,000 for fire protection) from Shawn Walsh.**

Vice-Mayor Wimpee, Sr. stated Shawn Walsh received a \$5,000 private donation and was now requesting \$30,000.

Mr. Walsh stated he was still trying to raise money and the success of the event would depend on the City's willingness to provide funds. Mr. Walsh stated the TDC did not feel the fireworks classified as a tourism event because the display would not bring people into the hotels. Mr. Walsh stated he agreed the fireworks should not be funded with tourism dollars.

Mr. Dougherty stated the staff had many concerns about the fireworks including the short amount

of time for planning, lack of insurance, and the fact that Mr. Walsh was asking for \$7,500 upfront before the contractor would provide the insurance information. Mr. Dougherty stated Mohave County and the Northern Arizona Consolidated Fire District (NACFD) were requesting information from Mr. Walsh and it was not being provided.

Mr. Walsh stated he spoke with NACFD and the department emailed him the Mohave County permit yesterday with the Fire Chief's signature on it. Mr. Walsh stated he could not give Mohave County the information they needed until he had the insurance, but the company would not provide the insurance until he confirmed funding. Mr. Walsh stated the deciding factor was whether the City would supply the funds.

Tom Spear, the Vice-Chair of the TDC, stated the TDC budget was used in the past as a way to collect donations to fund fireworks, but fully funding the fireworks display from the TDC budget was not compatible with the commission's goals.

Krystal Burge, Chair of the TDC, stated Mr. Walsh already received \$5,000 in donations from various businesses and hopefully this would help the City move forward with supplying the remaining balance.

Kingman resident Harley Petit stated the City had forgone fireworks in the past and it would not be the end of the world if there were no fireworks this year. Mr. Petit stated it would be better to use the \$35,000 for something else, such as infrastructure, than a single event.

Councilmember Young stated the money originated from the 2% bed tax and it was required to be spent on tourism. Councilmember Young stated the money could not be spent on other items such as infrastructure.

Councilmember Abram stated planning for a fireworks show should have started in January. Councilmember Abram agreed it would not be the end of the world if there were no fireworks this year and there were other options available for Fourth of July celebrations.

Councilmember Young asked what liability the City could face if it provided funding for the fireworks.

City Attorney Carl Cooper stated there was increased liability because the City was currently being sued and it knew hosting a fireworks display was a dangerous activity. Mr. Cooper stated other factors that increased liability included the rushed timeframe and Mr. Walsh's inexperience with coordinating this type of event as well as the gift clause and procurement clause issues.

Vice-Mayor Wimpee, Sr. stated he supported Mr. Walsh as he had everything ready for the fireworks display.

Councilmember Abram made a MOTION to DENY the application from Shawn Walsh for up to \$35,000 from the Tourism Development Commission to fund fireworks and fire protection for a Fourth of July Celebration. Councilmember Carver SECONDED and it was APPROVED by a vote of 4-1 with Vice-Mayor Wimpee, Sr. voting NAY.

**b. City funded events for the Fourth of July celebration**

The City Manager will again voice staff's concerns over the last minute plans to have fireworks and the still lacking proof of insurance naming the City as co-insured, with the limits necessary to protect the City as best as possible. The City Manager has been working with Dora Manley on the block party concept including discussions about the city paying for hot dogs to be given away for free, Coca-Cola setting up a vendor booth to sell soft drinks, and the insurance covered by the Kingman Area Chamber of Commerce. As part of the on-going efforts to promote the City in our competition to win the ABC Competition, staff talked about handing out free sparklers and having participants walk up Fourth Street to City Hall and filming it from above. Ms. Manley has been working on securing a DJ for musical entertainment. This is a back-up plan if the fireworks do not happen, but again it needs to be coordinated and advertised and if the City waits too long it will not be possible. **Staff does not recommend approval of the request for fireworks and has some reservations about sparklers.**

Mr. Dougherty stated he was working with Dora Manely on plans for a block party. Mr. Dougherty stated the roads would be blocked at Spring Street, Third Street, Fifth Street, Fourth Street and Beale Street. Mr. Dougherty stated there would be a stage with flags, musical entertainment, and free food and drink. Mr. Dougherty stated the total cost would be approximately \$3,000. Mr. Dougherty stated at 8:30 P.M. people would receive sparklers and march up Fourth Street to the City Complex. Mr. Dougherty stated the procession would be taped and submitted to the America's Best Communities (ABC) Competition. Mr. Dougherty stated there would also be speeches, including a tape of John Wayne's famous speech on America.

Mr. Cooper stated he did not recommend handing out sparklers due to the risk of burns.

Councilmember Young asked if the funds would come from the TDC budget.

Mr. Dougherty stated they would not and staff would have to find the money somewhere in the budget.

Councilmember Abram stated the block party was a great idea, but he would rather give out glow sticks instead of sparklers. Councilmember Abram stated he did not think the City should give sparklers to small children and he could probably find a corporate sponsor to donate glow sticks and mini flags.

Councilmember Carver asked what the real expense to the City would be due to the fact that scheduling additional emergency responders would result in overtime (OT).

Chief of Police Robert DeVries stated the Kingman Police Department did not plan for additional staff on the Fourth of July and it would be a challenge to schedule enough people; however, the department would support the Council's decision. Chief DeVries stated he did not know what the total OT cost would be.

Fire Chief Jake Rhoades stated he agreed with Chief DeVries. Chief Rhoades stated in addition to his own staff he could try to arrange support with the City's mutual aid partners.

Mr. Dougherty stated the money for the OT would be covered in the regular OT budget.

Councilmember Young made a MOTION to APPROVE the block party plans with the

substitution of glow sticks for sparklers. Councilmember Abram SECONDED.

Mr. Dougherty asked what the Council was willing to spend.

Councilmember Abram stated he was confident he could get a corporate sponsor to donate the glow sticks.

Councilmember Young AMENDED the MOTION to include a maximum budget of \$3,000. Councilmember Abram SECONDED and it was APPROVED by a vote of 4-1 with Councilmember Carver voting NAY.

Mr. Dougherty stated the Kingman Area Chamber of Commerce was paying for the insurance for the event.

## 5. NEW BUSINESS

### a. **Discussion and Possible Action on the National League of Cities Service Line Program**

Ashley Shiwarski, Business Development and Inside Sales Manager for Utility Service Partners, will give a presentation on the program including how it will benefit residents and provide some revenue to the City. This program is backed by the National League of Cities and the Arizona League of Cities and Towns. This company would like City backing to send solicitation letters to residents for insurance against utility infrastructure breakage that is the property owner's responsibility. **Council discretion.**

Ashley Shiwarski stated the program addressed the public policy issue of aging infrastructure, specifically the homeowner's responsibilities. Ms. Shiwarski stated the average age of a house in the United States was 40 years old and the average sewer line only lasted 40 years. Shiwarski stated the typical cost to replace a line on private property was \$2,000-\$3,000 and to repair one in the public street was \$5,000-\$7,000. Ms. Shiwarski stated Utility Service Partners handled every aspect of the program and there was no cost to the City to participate. Ms. Shiwarski stated the best aspect of the program was that it raised awareness as to what homeowners were responsible for as they often believed the City would fix any issues with water and sewer lines. Ms. Shiwarski stated for a few dollars per month the homeowner could call to report a claim at any time or day of the year. Ms. Shiwarski stated the company would dispatch a local licensed contractor to repair the issues. Ms. Shiwarski stated the company only used local contractors in order to keep money in the community as well as the fact that local contractors would know the local codes better than non-local contractors. Ms. Shiwarski stated the program offered exterior water sewer line coverage for \$4,000 per incident with no limits, no pre-existing conditions exclusion, no service fees or deductibles. Ms. Shiwarski stated the company also offered in-home plumbing coverage at \$3,000 per incident. Ms. Shiwarski stated if the City chose to participate it would receive \$0.50 per month for paid warranty contract to be paid every January. Ms. Shiwarski stated the company did not do telemarketing, door to door sales or excessive mailers. Ms. Shiwarski stated the company would send one letter in spring, fall and winter advertising each product. Ms. Shiwarski stated the City would have a web portal where it could keep track of the number of claims filed, jobs completed and customer satisfaction surveys.

Councilmember Abram asked how the company selected the contractors.

Ms. Shiwarski stated the company had a department that made sure the contractors had the proper

insurance and equipment. Ms. Shiwarski stated the department also made sure the contractors agreed to the company's customer service policies including calling the resident within one hour of filing a claim and arriving at the customer's home within 24 hours. Ms. Shiwarski stated the department also accepted lists of licensed contractors from the cities.

Councilmember Young asked about the subject to annual review on the year two figures located in Exhibit A.

Ms. Shiwarski stated that was the standard rate and it had not increased, though the company did include the disclaimer. Ms. Shiwarski stated the homeowners would be on a month to month contract and would receive a refund if they cancelled and had already paid for some months in advance. Ms. Shiwarski stated the City would sign a three year contract with the company if it decided to participate. Ms. Shiwarski stated the advertisement letter would be sent to the City for review before each campaign and letters would not be sent without City approval. Ms. Shiwarski stated the letter would have the City logo on it and an elected official's signature in addition to the company's information.

Mr. Cooper stated he would like to see an actual contract.

Vice-Mayor Wimpee, Sr. directed Mr. Dougherty to bring a contract back to the Council for review.

**b. Public Hearing and consideration of Ordinance No. 1798 to approve the rezoning of a 2.46 acre parcel located on the east side of N. Fairfax Street between Berk Avenue and Sunrise Avenue**

This is a request from UniSource Energy Services to rezone a 2.46 acre parcel located on the east side of N. Fairfax Street between Berk Avenue and Sunrise Avenue from R-2: Residential, Multi-Family, Low Density to R-R: Rural Residential to allow for the use of property for the construction, operation and maintenance of a 69kv utility substation. The Planning and Zoning Commission held a public hearing and reviewed the Goals and Objectives of the Kingman General Plan 2030, the Standard for Review and the applicant's request. There were no objections from nearby property owners during the public testimony. The Planning and Zoning Commission voted 4-0 to recommend approval of the rezoning to R-R as requested with certain conditions. Conditions included requirements for a building permit and survey, submittal of a drainage report, landscaping, construction of a block wall around the perimeter of the project site, and extension of water lines and street improvements. **The Planning and Zoning Commission recommends approval of the rezoning request.**

Development Services Director Gary Jeppson presented the following slides:

**Rezoning Case RZ15-002**  
 N. Fairfax St  
 R-2 to R-R

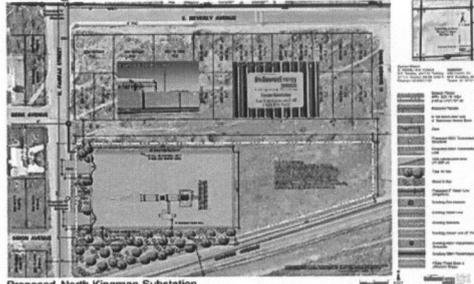

**City Council Meeting**  
 June 2, 2015

**General Information**

- **Applicant:** UniSource Energy Services
- **Requested Action:** A request to rezone 2.46 acres from R-2: Residential, Multiple Family, Low Density Residential, to R-R: Rural Residential.
- **Purpose:** The rezoning is proposed to allow the use of the property for the construction, operation and maintenance of a 69kv utility substation in order to replace an existing utility substation.

Slide one was an introductory slide. Mr. Jeppson read slide two.

**Proposed North Kingman Substation**

Proposed North Kingman Substation

**Aerial Map-Fairfax Street**

Slide three showed the property under discussion and Mr. Jeppson stated it was north of Sunrise Avenue and east of Fairfax Avenue. Mr. Jeppson stated slide four showed the existing substation.

**Photo taken facing northeast from Fairfax Street-homes shown are on Beverly Ave.**

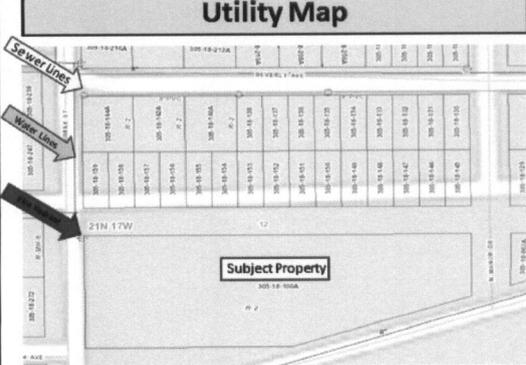

**Zoning Map**

Mr. Jeppson reviewed the information on slides five and six.

**Utility Map**

**Transportation**

- The subject site is accessible from Western Avenue, Sunrise Avenue, and N. Fairfax Street.
- These roadways are paved without additional street improvements.
- Berk Avenue, along the north side of the site, is not improved.

On slide seven Mr. Jeppson stated the applicant could develop the property without a conditional use permit (CUP) if the property was re-zoned. Mr. Jeppson reviewed slide eight.

City Engineering Department Comments:	Analysis
<ul style="list-style-type: none"> <li>• Sections of these adjacent roadways fronting the site will need to be improved.</li> <li>• Only one driveway opening is permitted.</li> <li>• The property will not be served with a water connection until a water distribution main is extended along the entire frontage of the parcel being served.</li> <li>• A backflow preventive assembly will be required for the irrigation meter, a grading plan and drainage report is required to be submitted at the time of site development.</li> </ul>	<ul style="list-style-type: none"> <li>• The proposal is in conformance with the General Plan and Zoning Ordinance.</li> <li>• This rezoning request allows the property to be used for the requested use of building a new 69kv electrical substation enclosed by a 8 ft. block wall.</li> <li>• The developer requested that the landscaping requirement for trees be removed due to safety concerns.</li> </ul>

Mr. Jeppson read slides nine and 10.

Recommendation	Recommendation (Cont'd)
<p>The Planning and Zoning Commission and staff recommend rezoning of the subject site from R-2 to R-R with the following conditions:</p> <ul style="list-style-type: none"> <li>A. A building permit is required prior to construction of the electrical substation. The permit which shall comply with 2012 IBC requirements.</li> <li>B. A survey needs to be submitted with the building permit application.</li> <li>C. A grading plan and drainage reports needs to be submitted to the Engineering Department prior to or with the submittal of the building permit application.</li> </ul>	<ul style="list-style-type: none"> <li>D. The proposed electrical substation area shall be maintained and have a dustless surface of aggregate base course (ABC).</li> <li>E. The electrical substation shall be enclosed and perimeter screened with a block wall.</li> <li>F. Landscaping shall be installed along with an irrigation system. The tree requirement may be replaced with shrubs due to safety concerns of tree material damaging the electrical substation.</li> </ul> <p><b>Ordinance #1798 rezones this property with these conditions.</b></p>

Mr. Jeppson read slides 11 and 12 and stated the applicant was present.

Vice-Mayor Wimpee, Sr. opened the public hearing at 6:29 P.M.

Applicant Mike Gibelyou, Senior Right-of-Way Agent for Unisource Energy Services, stated item five on Ordinance 1798 needed to be modified to read "block wall," not "block."

Councilmember Young asked if Unisource intended to expand the substation in the future.

Mr. Gibelyou stated it depended on the development in the surrounding area, but Unisource would most likely only develop what was shown on the chart. Mr. Gibelyou stated there was room for expansion on the identified property.

Vice-Mayor Wimpee, Sr. closed the public hearing at 6:31 P.M.

Councilmember Young made a MOTION to ADOPT Ordinance 1798. Councilmember Abram SECONDED and it was APPROVED by a vote of 5-0.

**6. REPORTS  
 Board, Commission and Committee Reports by Council Liaisons**

Councilmember Young stated she attended the International Council of Shopping Centers conference

and was told several times in various workshops that the City needed a strategic plan, community plan, recruitment plan, marketing plan, incentive plan, financial plan and implementation plan before promoting land for sale.

Vice-Mayor Wimpee, Sr. thanked the TDC for meeting on short notice. Vice-Mayor Wimpee, Sr. stated the Historical Preservation Commission was working hard to come up with fundraisers to raise money for projects.

7. **ANNOUNCEMENTS BY MAYOR, COUNCIL MEMBERS, CITY MANAGER**

*Limited to announcements, availability/attendance at conferences and seminars, requests for agenda items for future meetings.*

**If needed.**

Councilmember Abram stated the ABC Competition was a community involvement program that the community needed to support in order to compete for the \$3 million grand prize. Councilmember Abram stated the \$3 million would be used for economic development in the community. Councilmember Abram asked citizens to contact the Kingman Area Chamber of Commerce if they knew of a beautification event taking place in the community so the event could be documented and submitted to the judging panel.

8. **EXECUTIVE SESSION**

The City Manager requests that the Mayor and Council make a motion to go into executive session pursuant to ARS 38-431.03(A)(3).

**a. Discussion of possible legal action concerning downtown abatement issues including potential demolition issues.**

**b. Discussion and possible direction given to staff concerning city owned land on Andy Devine Ave.**

Councilmember Abram made a MOTION to enter into EXECUTIVE SESSION. Councilmember Young SECONDED and it was APPROVED by a vote of 5-0.

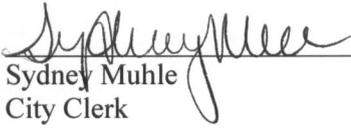

The Council entered Executive Session at 6:37 P.M. The Council returned from Executive Session at 6:58 P.M.

Councilmember Abram made a MOTION to move forward with an evaluation for possible land sale of City owned property located at the corner of East Andy Devine Avenue and Fairgrounds Boulevard. Councilmember Yocum SECONDED and it was APPROVED by a vote of 5-0.

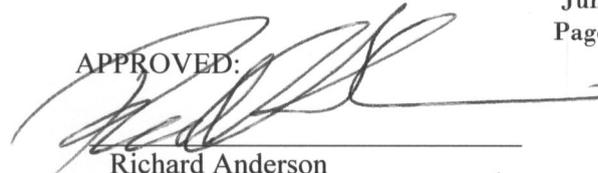

Councilmember Young made a MOTION to ADJOURN. Councilmember Abram SECONDED and it was APPROVED by a vote of 5-0.
